

Figure 1: *Top Left*: A cubic curve encoded in a  $(2, 2, 2)$  sized texture, decoded with a single trilinear texture sample. *Top Right*: Two piecewise cubic curves encoded in a  $(4, 2, 2)$  sized texture, decoded with a single trilinear texture sample. *Bottom Left*: A Quartic curve encoded in a  $(2, 3, 2)$  sized texture, decoded with two trilinear texture samples. *Bottom Right*: Two piecewise quartic curves encoded in a  $(4, 3, 2)$  sized texture, decoded with two trilinear texture samples.
