

A	B
B	C
C	D

A	B	D	E
B	C	E	F
C	D	F	G

Figure 1: *Left:* A cubic curve with control points A, B, C, D encoded in a 2d texture that is $(2, 3)$ in size. *Right:* Two piecewise curves encoded in a 2d texture that is $(4, 3)$ in size. The control points for the first curve are A, B, C, D and the control points for the second curve are D, E, F, G .
